Dear Summit Club Members,

WTF - Winning The Fight! would like to thank you for your generous ***donation of $150.00, Check #1397,*** for a Hole sponsorship and two golfers at our 3rd Annual Miniature Golf Tournament that was held on May 6, 2014. It was exciting that the Summit Club won best team as well.

WTF is dedicated to bringing drug education to our communities and support for those that need it. We will never give up hope for our families.

As I stated before, your support for this event is greatly appreciated. Your donation allows us to better equip families who are just beginning a journey and/or others, who are already in crisis mode with a family member.

We will continue to share our success with you as we continue to help many, some of which do not even know they need help.

With sincere gratitude,

Kathy
