Dear Summit Club of Flower Mound,

Thank you for making healing possible for every child, every time the crime of severe abuse is reported. Your generosity makes it possible for children suffering from abuse to receive the justice and healing they deserve.

In 2022, 2,714 children bravely shared their story of abuse and started their journey to healing. Your gift of \$1,000 made on 4/12/2023 is making a significant impact on the lives of children who are walking through our doors right now.

We know adverse experiences like child abuse are major risk factors for the leading causes of illness and death, as well as poor quality of life, but that early intervention is the single best way to mitigate the negative impact of abuse. You are restoring a child's potential.

Thanks to you, the Advocacy Center remains a place where children will discover they are not invisible or damaged – they are believed and will be whole. Together, we can ensure no child abuse victim is without the resources they need, and that our community is prepared to help break the cycle of child abuse.

Sincerely,

Kristen *thank you! ♥*
