Dear Bryan,

Thank you for your gift to the MSU Texas Flower Mound Excellence Fund at Midwestern State University. It is through the generosity of organizations like yours that students are able to attend our university and participate in all that MSU Texas has to offer for their personal and professional development.

This kind of support is especially critical now as we strive to attract and retain more students. As we continue to work diligently on the university's programs, the value of your giving is even more vital to ensure that more students have access to information necessary for an MSU Texas education.

I'm looking forward to meeting with you and Randy Canivel in May. Again, thank you for generous support of MSU Texas.

Sincerely,

Rhonda McClung

Dear Mr. Webb,

On behalf of the entire Midwestern State University community, thank you for your contribution to the MSU Texas Flower Mound Excellence Fund. The contribution from Summit Club of Flower Mound is critical to making quality higher education affordable and accessible to students who might not otherwise be able to earn a college degree.

MSU Texas Flower Mound plays an important role in the university's efforts to reach as many Texans as possible to provide an educated workforce for the state. Thank you for advancing and strengthening the university's commitment to our mission of engaging our students and preparing them to live constructive and fulfilled lives long after graduation.

With support from donors like you we can keep education within the reach of all students.

Sincerely,
