

MSU Texas – Flower Mound Excellence Scholarship

07/13/2023

Dear Flower Mound Summit Club,

As a recipient of the MSU Texas Flower Mound Excellence Scholarship, it is with deep gratitude that I accept and thank the Flower Mound Summit Club for their efforts, time, and consideration in assisting students in their financial difficulties. I am truly humbled and honored to receive favor from your organization for choosing me among many deserving students. I thank each member and I thank God as I seek Him to properly show my heartfelt gratitude.

The impact of this scholarship will not only significantly reduce my financial burden but also impact my children's lives as I provide an honorable example to them. This scholarship will be stewarded as an investment not only in my own life but for generations after me. The Epistle of Aristeas states, "The greatest form of neglect is not caring for our children and devoting every effort to their education. For we always pray to God not so much for ourselves as for our children and every blessing may be theirs." I am encouraged to persevere all the more and hope to consistently give my whole heart to excellence in all I accomplish at MSU and beyond.

On behalf of all single parents advancing their education and the education of their children, I would like to thank you and bless each esteemed benefactor.

With gratitude,

Nova Mildred Fults
