

IT'S A PARTY CELEBRATING

*The Summit Club & Women of Flower Mound
Since 1974*

In 1974, when this was a small town, residents came together, forming two organizations to foster a spirit of neighborliness and community service.

50 years later, we are not so small, but because of the dedication and hard work of the Women of Flower Mound and the Summit Club, Flower Mound maintains it's small town roots, neighborliness and community spirit.

We invite you to join us on Saturday, February 3rd, 2024 in the Marriott Hotel Ballroom at the RiverWalk at Central Park for a party celebrating

Fifty Fabulous Years of Service

Guests will enjoy a cash bar, appetizers, buffet dinner and stories from these two organizations that continue to make Flower Mound the best place to live and raise a family
