

01/16/25

Dear Summit Club of Flower Mound,

Thank you so much for your donation to LEF! Because of your donation, I was able to purchase over 200 new non-fiction books for the Marcus 9 Library. The students have loved seeing and reading the new books! We have labeled all of the new books with stickers to identify that they were made possible by the LEF grant from donors like you.

Thank you,

Kayla Hill
