Dear David:

On behalf of the Longhorn Council, Scouting America, I would like to thank you for your thoughtful gift of **\$500.00** in support of Scouting. **Your investment is what makes Scouting possible!**

- *Sustain and grow Scouting Programs: The Longhorn Council offers a variety of programs for different age groups, including Cub Scouts (for younger children), Scouts BSA (for boys and girls ages 11–17), Venturing (for older teens), and Exploring (career-focused for teens). These programs focus on character development, leadership, outdoor skills, and community service.*
- *Provide unique Outdoor Adventures and Skill Development: The Longhorn Council organizes numerous outdoor activities, including camping, hiking, and high-adventure programs. These experiences teach outdoor skills, foster a sense of adventure, and provide lasting memories for families. In addition, Scouts have the opportunity to earn merit badges and work toward advancement ranks, such as Eagle Scout. These achievements not only develop skills but also give young people a sense of accomplishment.*
- *Maintain Safe Camp Facilities: The Longhorn Council manages several camps and outdoor facilities in the region, offering camping opportunities, leadership training events, and other activities that families can enjoy together. This includes summer camps for Scouts and family-oriented events.*
- *Encourage Family Engagement: Scouting promotes strong family involvement. Parents and guardians are encouraged to participate in various activities, such as pack and troop meetings, camping trips, and volunteering for local events. This strengthens family bonds and creates a supportive environment for children to grow.*

In summary, the Longhorn Council enriches the lives of Northwest and Central Texas families by providing a structured environment for youth to develop into responsible, caring, and capable individuals while fostering community connections and offering outdoor adventures.

With gratitude,

Daniel Busby
Director of Development
